The silent treatment is when one person in a relationship ignores the other person, refusing to acknowledge them verbally or through any other method. This usually happens after an argument, but it can also happen when the silent partner is angry and the other person doesn't know why.

Six Ways to Respond to the Silent Treatment in Relationships

Will My Ex Come Back to Me After No Contact? Of course, the answer to this question depends on you, your ex, and your particular situation. The break will likely give your partner an opportunity for perspective. But, as mentioned earlier, the main point of no contact is to gain clarity and strengthen yourself.
