diving. If you have not dived in a drysuit before, we strongly recommend you contact a local instructor for education and practice using your new drysuit under controlled conditions. Both inexperienced and experienced users should thoroughly read and understand this manual before diving in the drysuit.

English Deutsch - SCUBAPRO

Drysuits let you dive more challenging dive sites, and extend your dive season. When you have the right cold water scuba diving attire, you can stand up to the elements and take advantage of the generally better visibility offered by winter months—especially at inland dive sites such as quarries, lakes, sinkholes and caves etc.

My brother and I both dive DUI drysuits. In 2001 my brother purchased his DUI CLX450 drysuit. He really enjoyed diving it. I had a non-DUI drysuits and while it was in for repair he lent his DUI to me. Returning home, I ordered by DUI drysuit and I've never looked back. Since that time my father and some of his friends have also purchased DUI ...
