Making Whole What Has Been

Making Whole What Has Been Smashed explores the spread in recent years of political efforts to rectify injustices handed down from the past. Although it recognizes that campaigns for reparations may lead to an improvement in the well-being of victims of mistreatment by states and to reconciliation among former antagonists, this timely book, featuring a new and updated preface, examines the extent to which the concern with the past may represent a departure from the traditionally future ...

Making Whole What Has Been Smashed: On Reparations ...

Torpey's short and scintillating book, Making Whole What Has Been Smashed, explores reparation demands ranging from official apologies and admissions of wrongdoing to memorials, cash payments, health and welfare aid, and property return to groups and individuals. Chapters on post-apartheid Namibia and South Africa, on Japanese-American and Japanese-Canadian Second World War internees, and on legacies of slavery that still disable African Americans suggest his topical scope.

Making Whole what Has Been Smashed: On Reparations ...

Make Whole Law and Legal Definition. Make whole is a term used in reference to compensating a party for a loss sustained. The precise definition varies, according to contract terms and local laws. It may include either actual economic losses or to actual economic and non-economic losses, and not necessarily to the settlement value of the case.

A make-whole call is a type of call provision in a bond allowing the borrower to pay off remaining debt early. The borrower has to make a lump sum payment to the holder derived from an earlier agreed-upon formula based on the net present value (NPV) of future coupon payments not paid because of the call.
